

MEMORANDUM FOR: Deputy Director of Central Intelligence

DRAFT

Executive Registry

83-2396/2

- already advised*
- I have been asked to speak before the Technology Transfer Panel of the House Armed Services Committee about TTIC and the role of the Intelligence Community in supporting US policymakers.
 - I will describe TTIC and its Community perspective and will be followed by testimony from CIA, DIA, NSA, FBI, and State as part of a roundtable panel.
 - Attached is a draft of testimony which I have prepared this weekend; I would appreciate any comments you may have.
 - Copies also have been given to Jan and OGC.
